DEFINTION OF GUIDE & RESERVE PRICE

All properties are sold subject to a reserve price, which is the minimum price the seller is willing to accept and is confidential between the seller and Auctioneer. The guide price is only an indication as to where the reserve is currently set and not necessarily the Auctioneers expectation of what it will sell for. If the guide price is a bracket figure, then the reserve price cannot be higher than the top end of the guide price, if the guide price is a fixed figure, then the reserve cannot be more than 10% above the guide price.

The guide price and reserve price can be subject to change at any time up to and including the auction day and, properties can often sell for substantially more than the quoted guide price.

COSTS AT AUCTION

When buying at auction you will unconditionally exchange contracts on the fall of the auctioneer's gavel, please therefore ensure you have read the legal pack for each property prior to bidding. They are all individual and include the terms and conditions of your purchase as well as any costs in addition to the purchase price.

The sale of each lot is subject to an administration fee of £2,700 inc VAT (£2,250.00 + VAT) (unless otherwise stated in the important information), payable on the fall of the gavel/at the end of the online auction. Please note that the administration fee for the Local Authority lots may differ and all interested parties should enquire directly with the Auctioneers as to the fee applicable.

Any additional costs excluding the administration fee will be listed in the Special Conditions within the legal pack and these costs will be payable on completion. The legal pack has been prepared by the seller's solicitor(s), who are responsible for its contents and disclosing all know information. It is available to download free of charge under the 'lot information', and you take responsibility for reading and understanding the legal pack and are bound by all the contents. Any stamp duty and/or government taxes are not included within the Special Conditions within the legal pack and all potential buyers must make their own investigations.
